Trace Jesus' life from the courts of heaven to the cross and back again to rescue us.

-  Your backpackers learn to worship Jesus as Lord as they follow Christ's journey to the cross and celebrate His resurrection and victorious return to Heaven.
-  The excitement of Upward Bound begins with Camp Jamboree and doesn't end until the Summit Celebration. Theme-related songs, recreation, costumes, and decorations create an atmosphere for learning that is bursting with adventure.
-  Hikers learn that storing God's word in their hearts gives them the nourishment and strength that's needed for the climb. Daily reviews help them retain an entire passage as they continue their upward bound journey through life.
-  Hikers learn love and "trail restoration" through daily service projects that teach them to work side by side with others.
-  Families hike together, adding enjoyment to the climb as brothers and sisters learn the same concepts, and parents explore God's word along with their children.

***"...that at the name of Jesus every knee should bow...and every tongue confess that Jesus Christ is Lord, to the glory of God the Father."
