Dear Brothers and Sisters

I greet you in the mighty Name of Jesus Christ our Savior. Thank you for attending the Seattle Belhar Confession Conference. May the almighty God bless all the discussions and deliberations that will take place during this momentous conference in the life of the Church over there. Dr. Steve Robbins, may the hand of the Lord be upon you when you are addressing these beautiful children of God. Pastor Harry, thank you for arranging this conference.

Brother and Sisters, today our cry and pain are conveyed to you by the following capsules:

1. Capsule Number One

A paraphrased quotation from the Word of God, "And the Lord said: 'I have surely seen the oppression of Black South Africans, and have heard their cry... Now therefore, behold, the cry of the Black South Africans has come to me... Come now the Church of America, I will send you to the lost after accepting the Belhar Confession'".

2. Capsule Number Two

It is the document that is soaked and wrinkled by our tears, pains and groans – The Belhar Confession. Please hear us.

3. Capsule Number Three

It is the Christian Reformed Church, Seattle, Washington, USA. Please hear them.

May the Lord be with you. We love you.
